ADDITIONAL APPROPRIATION: \$		N/A	
RECOMMENDED ACTION			
The Planning and Zoning Commission unanimously recommends approval of the proposed rezoning.			

EXECUTIVE SUMMARY

This proposed rezoning is the first of two items with Public Hearings related to the Mixed Use Conservation (MUC) District Strategic Project. The proposal, which was overviewed by Council in a workshop on August 28, 2007, is to rezone approximately 31 acres within the MUC District to Business Office (B-O), which removes several large tracts of land to the south of Guenther along Matlage Way from the District.

In September 2005, Council directed the Planning team to study the Mixed Use Conservation District and come up with options to increase the predictability and effectiveness of the district. The project began in early 2006 with public input. Council requested that we involve community stakeholders that have a direct interest in any potential changes to the MUC. In April of 2006, we held two stakeholder meetings to introduce the project, discuss the framework that the Council had provided in January of that year, and solicit initial input. Initial public input included recognition that:

- The area is special;
- The current regulations and process are complex, cumbersome, and unpredictable; and,
- New regulations should encourage and incent preservation of structures without overregulation.

During the subsequent months, the staff team conducted fieldwork, analysis, and research, identifying characteristics of the area. While we found little in common on the nonresidential properties, we did find definite development and building style patterns in the area. We took all of our initial recommendations to the stakeholder group and held two meetings – one in January 2007 where some changes were suggested, and a final meeting in late April. The result was general concurrence of the stakeholder group.

The recommendation to rezone some of the acreage to B-O is based on the fact that none of these sites shares common characteristics with the core of the MUC district. These sites include City-owned facilities, a US Post Office, a nursing home, and a church. Reducing the district allows us to focus on the true character of the area and to create standards that reflect the existing development pattern.

Following two workshops in 2007 with the Planning and Zoning Commission on the MUC District Strategic Project, a Public Hearing was held on July 26, 2007 with the Commission regarding the rezoning proposal. The Commission August 14, 2007, the Commission voted unanimously to recommend approval of the 31 acre rezoning to Business Office (B-O) District. Additional information is attached.

SUPPLEMENTAL INFORMATION:

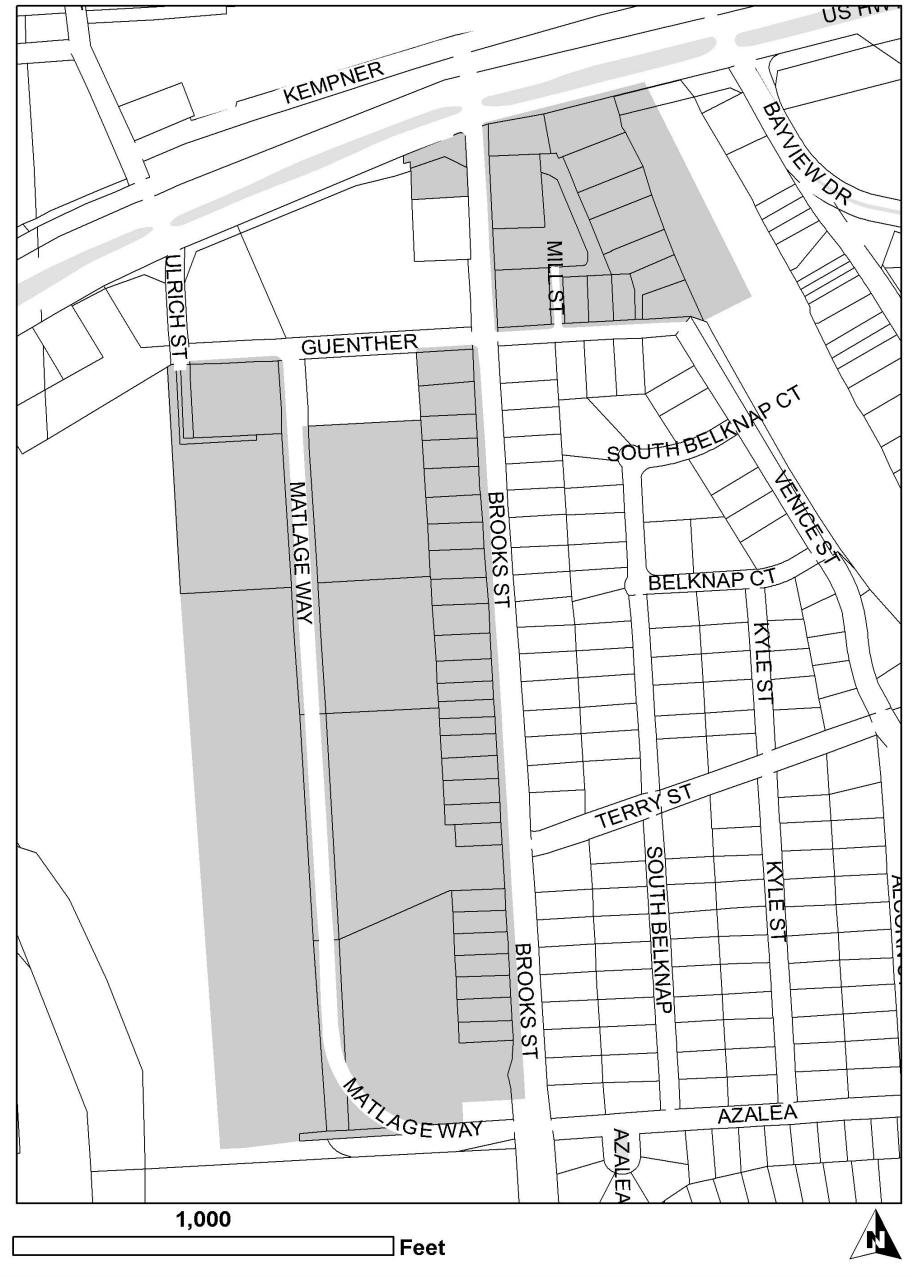

PUBLIC HEARING:

Per Chapter Two, Article I of the Development Code, a notice of this Public Hearing was posted in a newspaper of general circulation and property owners within the MUC District and within 200' of the District were notified by mail. In addition, the hearing notice was published on the City of Sugar Land Internet Home Page. At the time of this report, we have received three inquiries which were informational in nature.

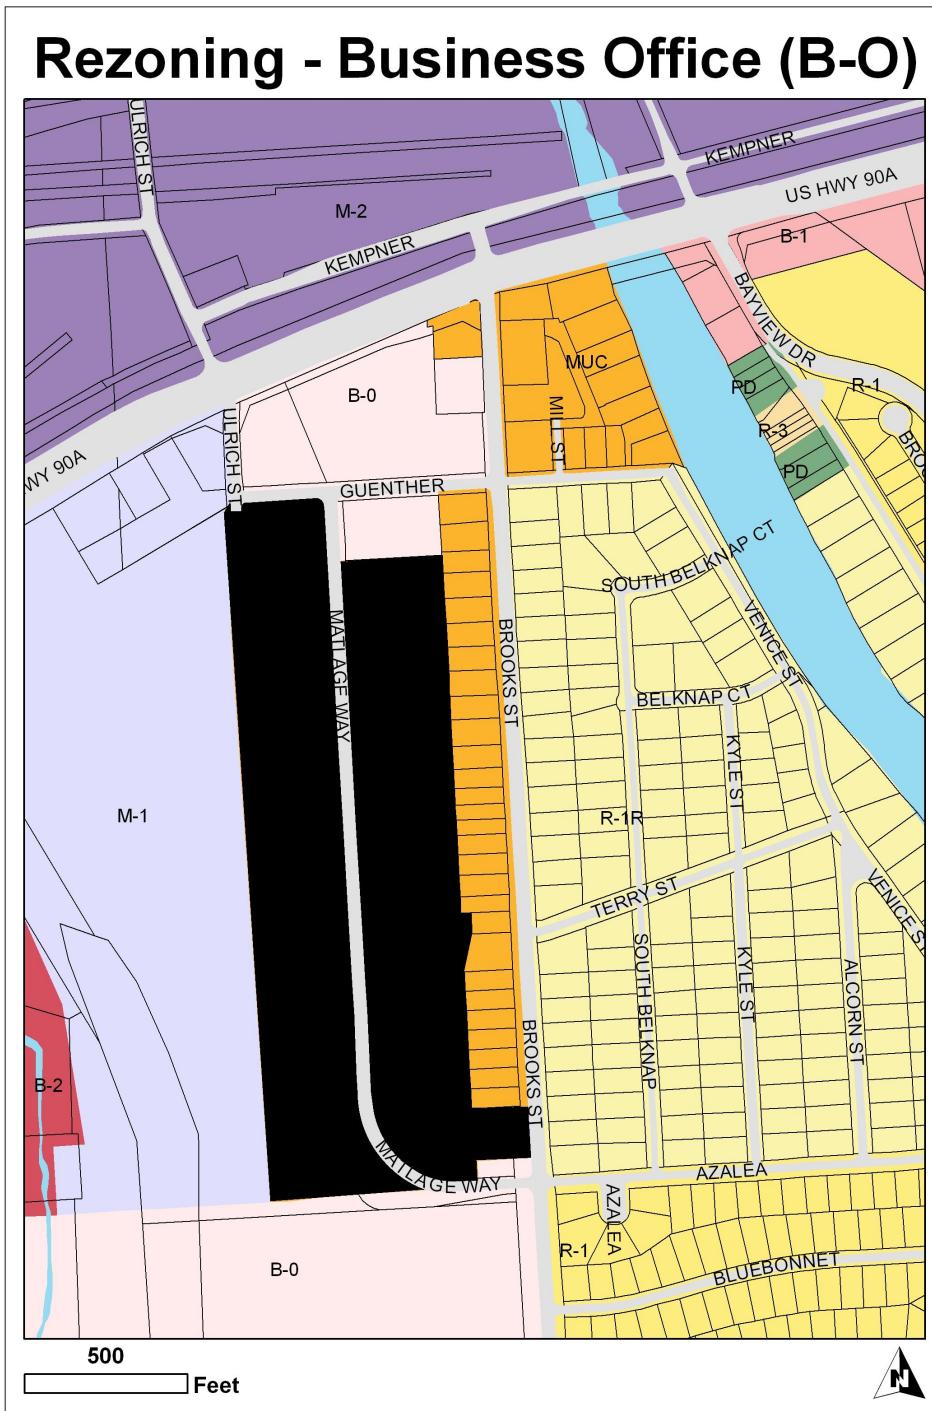

PLANNING AND ZONING COMMISSION ACTION:

On June 28, 2007 the Planning and Zoning Commission received a workshop by staff on various components of the rezoning and Development Code amendments for the Mixed Use Conservation (MUC) District Strategic Project. A Public Hearing for this item was held at the Planning and Zoning Commission Meeting of July 26, 2007 where two members of the Public spoke with regard to the proposed rezoning. The speakers were not opposed to the B-O zoning but requested that fencing be required between the west boundary of the lots along Brooks Street and the east boundary of the proposed B-O rezoning. The Commission discussed the proposed boundary changes and also requested that staff further examine the issue of rezoning to the north of Guenther Street. Following further review, the proposed rezoning was brought back for Consideration and Action at the Commission meeting of August 14, 2007 with no changes to the MUC District boundaries to the north of Guenther Street. Following discussion, the Commission unanimously recommended approval of the proposed rezoning to the Mayor and Council.

MUC District Boundaries

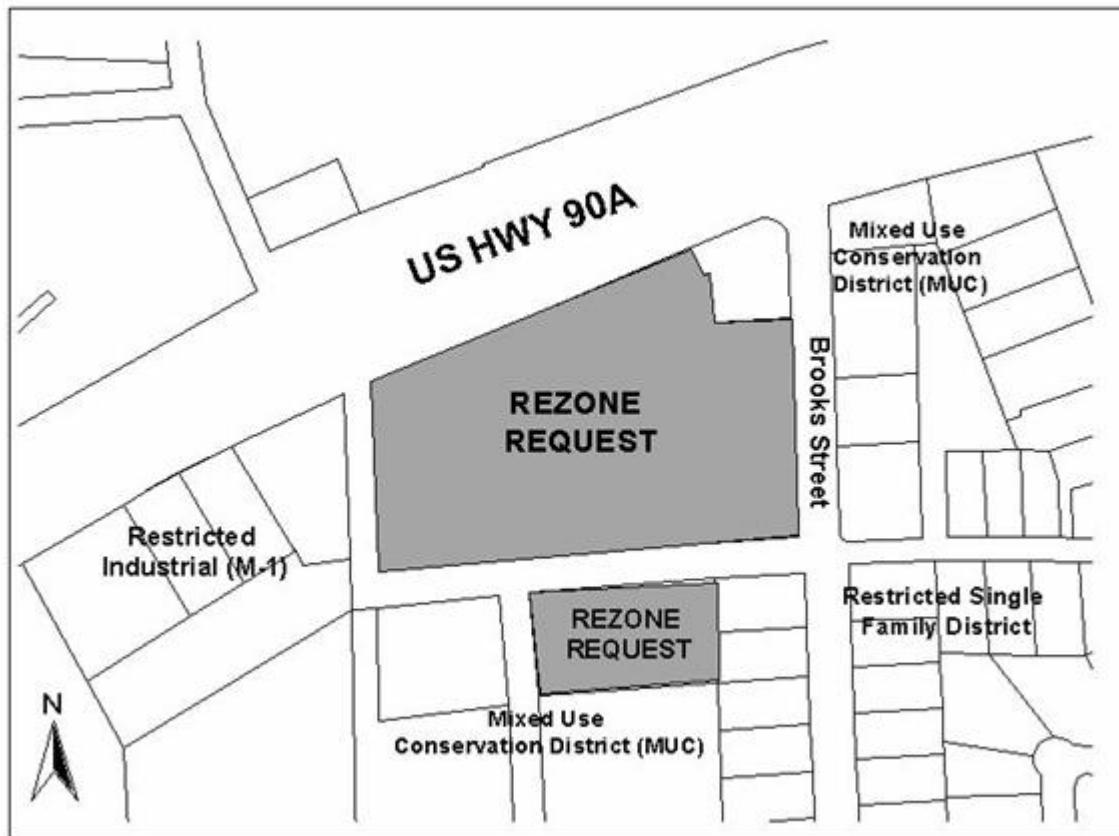

Proposed Rezoning in Mixed use Conservation (MUC) District to Business Office (B-O) – 31 ac

Key Zoning History Maps: MAP 1 OF 2

Imperial Sugar Company Property Rezoning in MUC District: 2002

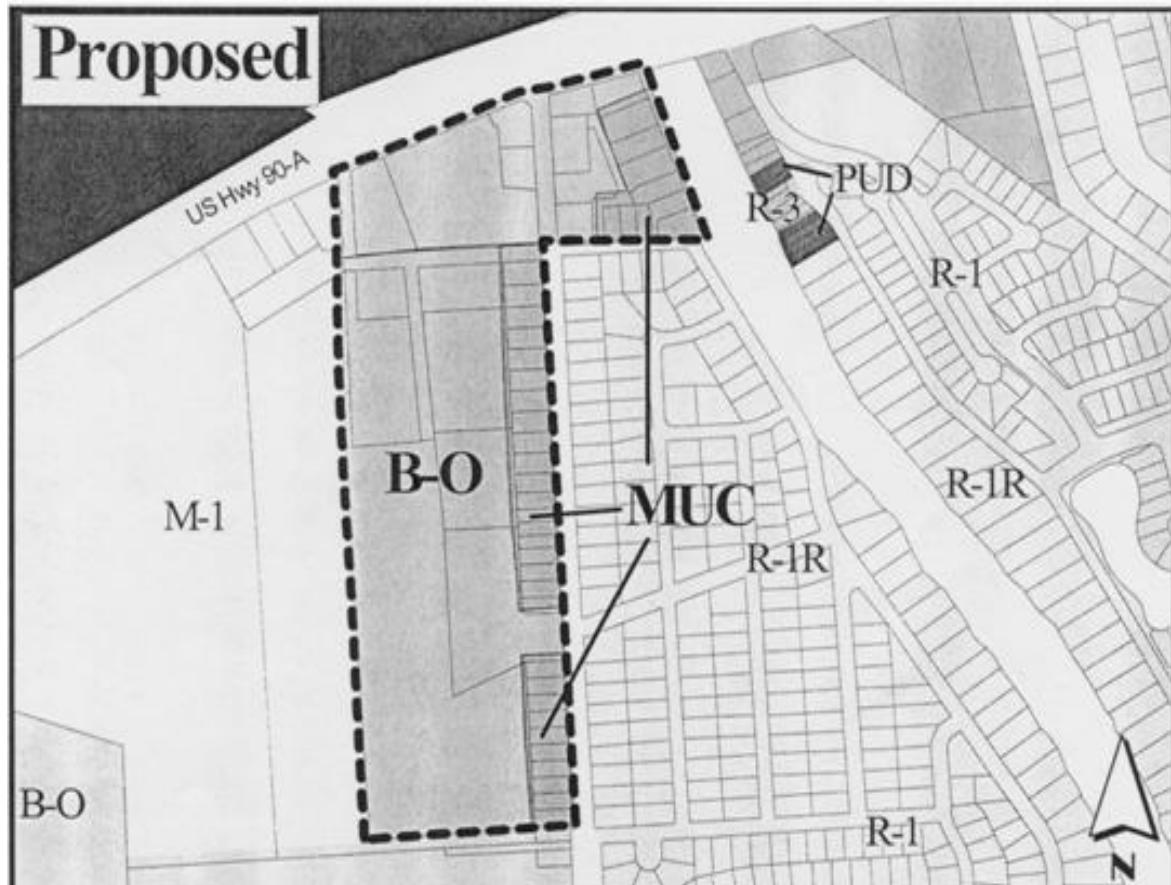

- Imperial Sugar Company requested Business Office (B-O) zoning for company property within MUC District
- MUC District to Business Office (B-O) District reviewed by Commission
- Received recommendation from Commission for B-O District
- City Council rezoned the two areas to B-O in September of 2002
- Sugar Land Employees Credit Union subsequently constructed on acreage south of Guenther Street

Key Zoning History Maps: MAP 2 OF 2

Excerpt from Planning and Zoning Commission Staff Report: 1999
Prior discussion on potential of rezoning portion of District to B-O

- Only original residential lots would remain in MUC District
- Brought forth as discussion item at Commission during MUC District amendments
- No Commission recommendation to change boundaries in 1999
- 1999 discussion took place less than two years after MUC District creation

ORDINANCE NO. 1641

AN ORDINANCE OF THE CITY OF SUGAR LAND, TEXAS, PROVIDING FOR A CHANGE OF ZONING FROM MIXED USE CONSERVATION ZONING DISTRICT (MUC) TO BUSINESS OFFICE ZONING DISTRICT (B-O) FOR APPROXIMATELY 31 ACRES OF LAND LOCATED ALONG MATLAGE WAY BETWEEN GUENTHER AND AZALEA STREETS; THE EAST SIDE OF BROOKS STREET BETWEEN U.S. 90A AND GUENTHER STREET; AND ALONG THE SOUTH SIDE OF U.S. 90A EASTBOUND FROM GUENTHER STREET TO OYSTER CREEK.

WHEREAS, in 2006 the City Council directed the City's Planning Staff to study the development regulations in the MUC District; and

WHEREAS after receiving public input, the City's Planning Staff put forth several proposals and recommendations; and

WHEREAS, the Planning and Zoning Commission approved a recommendation to rezone approximately 31 acres of land along Brooks Street and Matlage Way from MUC to B-O; and

WHEREAS, the City Council held a public hearing on the proposed amendment for which notice was published at least fifteen days prior to the hearing date;

WHEREAS, the City Council finds that the zoning change complies with the City's comprehensive plan;
NOW, THEREFORE;

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SUGAR LAND, TEXAS:

Section 1. That the zoning district classification of approximately 31 acres of land as shown in Exhibit A, attached to and incorporated into this ordinance by reference, is changed from Mixed Use Conservation zoning district classification (MUC) to Business-Office zoning district classification (B-O) under the comprehensive zoning ordinance of the City of Sugar Land, Texas.

Section 2. That the City's official zoning map is amended to show the change in zoning district classification.

APPROVED on first consideration on _____, 2007.

ADOPTED upon second consideration on _____, 2007.

David G. Wallace, Mayor
